Form	Annual School Fees	Each Instalment	Total No. of Instalments
S1 – S3	(no school fees required)		/
S4 – S5	\$3,000	\$300	10
S6	\$3,000	\$500	6

3. Criteria of School Fee Remission

In accordance with the financial situation of the applicant’s family, the school fee remission will be available in two categories:

Adjusted Family Income (AFI)*	Fee Remission	Fee Payable (per year)
\$0 – \$44,495	FULL (100%)	\$0
\$44,496 – \$86,039	HALF (50%)	\$1,500

We use the government’s “Adjusted Family Income” (AFI) mechanism for reference to assess the eligibility of an applicant and reserve the right for the final approval of the application. The AFI (not the average monthly income of a family) is illustrated below:

$$AFI = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

- (1) Gross annual income of the family includes the annual income of the applicant and his / her spouse; 30% of the annual income of unmarried child / children residing with the family if applicable; and the contribution from relatives / friends if applicable.
- (2) The members of a family normally refer to the applicant, his / her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the applicant and / or his / her spouse.
- (3) For single-parent families of 2 to 3 members, the ‘plus 1 factor’ in the divisor of the AFI formula will be increased to 2.
